Support Group (for anyone) 6:30 PM

We will be assisting Mighty Moms with a "FREE" garage sale.

If you have extra items that you do not need anymore, please bring them to the church. We will be storing these items in the building closest to Eden Church Road. Please put all clothing on hangers, this will make our sorting process much easier. We will be collecting items until Sunday, October 9th. What a great opportunity to bless those around us!!
